

Aladdin Connect

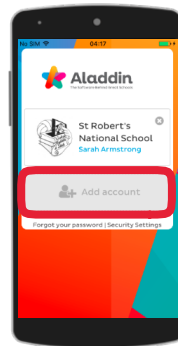

Adding an additional account on Connect.

Add additional Parent account to existing Parent account.

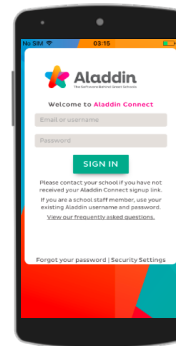

If logged in press Menu and select "Switch/add account"

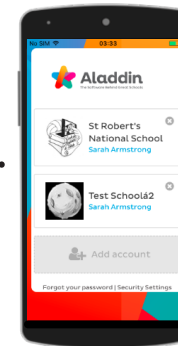

On the login screen select "add account"

Enter the email and password for your other account

PC

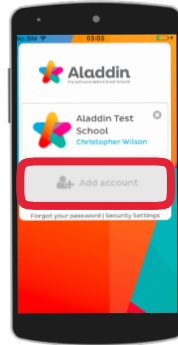

Note - email address and passwords can be the same or different.

Adding a Parent account to a Staff account.

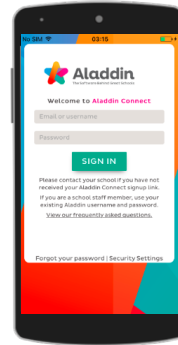

If logged in press Menu and select "Switch/add account"

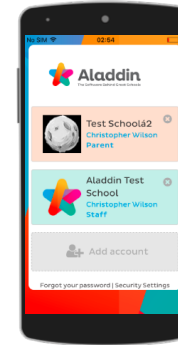

On the login screen select "add account"

Enter the email and password for your other account

Select an account by tapping on it to sign in

The parent account will be highlighted in orange, and the staff account in green.

Aladdin Connect

Adding an additional account on Connect.

No existing accounts – Add dual Parent account
(You have setup with same email and password for both)

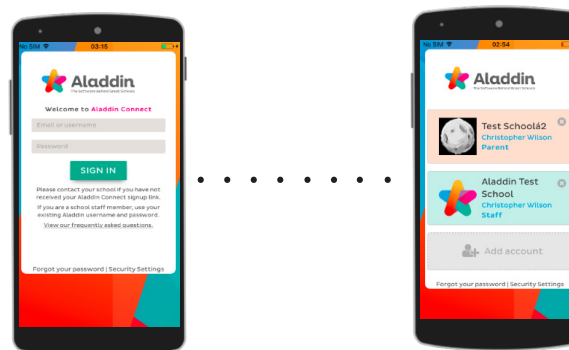

Open app → enter email and password → press sign in → both accounts will be added

As both accounts are parent accounts, there is no colour differentiation.
You just need to click on the account you wish to access.

No existing accounts on app – Add dual **Staff/Parent** account.
(You have setup with same email and password for both)

Open app → enter email and password → press sign in → both accounts will be added

Aladdin app will now clearly show the two Aladdin accounts. The parent account will be highlighted in **orange**, and the staff account in **green**. You will just need to click on the account you wish to access.
